## Meet the team

---

### Cathy Hobbs – Group Manager, Access & Inclusion

I am very committed to school improvement and see safeguarding as intrinsic to this. I have participated in a number of Serious Case reviews and have supported a number of sub groups from the Local Children's Safeguarding Board. My experiences mean I bring a knowledge and understanding of local processes and work with pupils who are vulnerable and at risk of disengagement and exploitation.

### Scott Thomas-White – Education Safeguarding Coordinator

I am passionate about keeping children safe in education. I have experience, and an up-to-date knowledge, of inspection frameworks and how to promote a strong safeguarding culture in education settings. My experience also includes working within early help services, therapeutic play services and as an early year's adviser. I am an experienced trainer, having delivered a range of safeguarding courses.
