

Non-accredited Behaviour Support Intervention Training Pricing information and bespoke training request form

Academic Year 2025-26

This training was originally developed by Telford & Wrekin's Behaviour Support Advisory Team for academies and non T&W schools as the trainer's licence to deliver CPI accredited Safety Intervention Training only allows delivery to LA maintained schools within Telford & Wrekin.

Centrally held training

Details of all **centrally held Non-accredited Behaviour Support Intervention Training** can be found in the CPD Booklet on the [Telford Education Services website](https://www.telford.gov.uk/education-services). Delegate places on all **centrally held courses** can be booked by completing and returning a CPD Booking Form to cpdschoolimprovement@telford.gov.uk

Bespoke training

In addition to the centrally held training, it is possible to request bespoke training for your school, which can be for the whole school or for a pre-determined group of delegates. This training is delivered face to face and is hosted by the school.

Note: schools may find the central held training more cost effective, depending on the numbers requiring training.
